

## FOI Part II Information Statement

### Introduction

Central Goldfields Shire Council publishes a wide variety of information both on line and in a range of print formats. Information and advice is also part of providing services face-to-face to customers.

This Part II Information Statement describes how Council is making information readily available to community members. Making information easily accessible reduces the need for members of the public to submit requests under the Freedom of Information Act 1982.

Community members wishing to access other information are encouraged to contact Council's Customer Service Centre to be referred to the most appropriate service unit.

## Community Engagement and Consultation

Council consults with the community on a wide range of issues. In many cases legislation sets standards and provides minimum requirements in regard to notifications and referrals. However Council recognises that its community is made up of varying groups/stakeholders that have a wide range of views and different preferences for communication. Therefore several communication methods are normally used to maximise awareness and participation.

Community consultation is guided by Council's Community Engagement Framework available in the *Key Publications* section on Council's web-site. The Framework is based on a model developed by the IAP2, the Spectrum of Public Participation.

Council may use any of the following methods:

- Letters to directly affected households or groups
- Council Column - a weekly page in the local newspaper
- Surveys or questionnaires
- Council's website
- Media releases, fact sheets and advertisements
- Dissemination of project bulletins, information flyers and brochures
- Participation in advisory committee or reference groups
- Roundtables with invited stakeholders
- Personal contact or face-to-face briefings/meetings
- Attendance at community meetings
- Feedback at Council offices
- Public exhibition of documents with submissions invited

Question time is held between 5:30pm and 6:00pm prior to the commencement of Ordinary Council Meetings. Any member of the public may submit a question about any issue at Question time. Details of meeting dates, times and locations are available on Council's web-site under *About Council*.
